# PROSPER

---

Like a tranquil walk through  
a Japanese forest, imagine the  
quiet splendor of soaring bamboo.  
Be swept away by the modern design,  
clean aesthetic, and calming spirit  
of a hand-painted natural oasis.

# ARTISTRY MEETS INNOVATION

A fresh interpretation of natural bamboo, the original artwork was first sketched and then painted by hand before being digitally transformed into a sophisticated range of dramatic and neutral colorways. Each colorway is exquisitely designed and digitally printed. Explore an array of natural, metallic, and vinyl grounds to bring the design to life.

# CUSTOM MADE EASY

Scan to get started

You can design your own custom digital wallcovering with PURE IMAGINATION. CREATE your own design, SUBMIT your own artwork, or MODIFY our existing murals - if you can imagine it, we can create it.

Simply changing the ground or color of a wallcovering from our existing library? You can do that too with PJ MASH UP in four simple steps:

STEP 1: Select Height 11 feet (3.35 m) or 16 feet (4.9 m)

STEP 2: Select Color

STEP 3: Select Ground

STEP 4: Place Order

Strikeoffs are recommended but not required. They are available for an additional fee and usually produced within 1-2 weeks. Strikeoffs are recommended because color saturation can vary on different natural grounds and custom Mash Up orders are non-returnable.
